

## FREQUENTLY ASKED QUESTIONS

---

### **What is "The Imagine Campaign?"**

A capital campaign to raise funds to support the vision Quest has to purchase land/property for the purpose of seeing lives forever changed/impacted with the Gospel of Jesus Christ. This is the first phase of our journey towards this vision – consisting of the purchase of land or land with a facility that would require renovation. There will likely be two or three phases total (land purchase, build first phase of facility, then build second phase of facility).

### **What is the importance of giving now? Is this need urgent?**

Yes. We are currently in leased facilities. It is likely that we will need to move from these facilities if the landlord decides to use them for other purposes. In addition, and more importantly, Quest is growing at a rate of about 50% per year. Our current space(s) will only handle this growth for so long. We need to think of our future and the long-term impact we want to have in this community. The need is now!

### **What is the financial goal of this campaign?**

Our goal is to raise \$600,000 or more for the purchase of land/property. Of course, building a facility will require future funding as well.

### **Is this goal attainable?**

Absolutely! If the entire Quest Community participates in this vision for our future by giving sacrificially, we believe we can realize this goal/vision.

### **How do I give to this Imagine vision/campaign?**

Beginning Sunday, October 25 we are launching an Imagine series in worship and other group settings that will culminate on Sunday, November 15. On November 15 we are inviting everyone to prayerfully consider the sacrificial gift you will make to this vision by filling out a "Commitment Card." This is a pledge to make financial contributions over a 3 year period beginning December 2009 and ending December 2012. December 6 will be our "First Fruits" offering where we are asking everyone to begin contributing to the vision. Some may choose to give one lump sum; others may give monthly, quarterly, etc. Other non-cash gifts may also be given in the form of stocks, property, etc. Imagine offering envelopes as well as other means will be made available for contributions.

### **When does the giving to the 3 year campaign start?**

Sunday, December 6 will be our "First Fruits" offering where we ask everyone to begin giving to this vision.

### **Can I contribute to the Imagine Campaign through an electronic bank draft?**

Yes. Electronic bank draft is already set up at Quest. Simply obtain a form in the lobby, fill it out, and designate the amount you would like contributed to THE GENERAL FUND and to THE IMAGINE FUND.

### **Is giving to The Imagine Campaign in addition to my normal regular giving?**

Yes. Quest has a general operating budget required to maintain and run our current ministries. Giving to the Imagine Campaign should be in addition to regular giving.

### **Can I redirect my giving to the Imagine Capital Campaign from the General Fund?**

All are encouraged not to do this. The general fund is used to support the mission and programs of Quest that are currently in place and to pay the church staff. We are all being asked to sacrifice and give above and beyond what we may have been giving to the General Fund.

**Are my donations to this campaign tax-deductible?**

Yes. You will receive quarterly giving statements with regular and Imagine fund giving reports.

**Can I give a one time donation in addition to the 3 year commitment?**

Yes. Consider giving it on our "First Fruits" Sunday offering on December 6.

**Why have a campaign if we don't have a specific piece of property we are trying to purchase?**

This campaign is about giving to a vision, not a specific piece of land/property. We know that our vision requires facilities, so raising funds now positions us to purchase when the opportunity presents itself.

**If I cannot commit now, but would like to donate at a later time – am I able to do that?**

Absolutely. Simply fill out a "Commitment Card" when that time comes.

**Can I commit for less than 3 years?**

We are asking that you consider participating over a 3 year period, however, if circumstances do not allow that simply indicate that on your commitment card.

**I'm struggling financially and don't know if I can commit to the Imagine Campaign – what can I do?**

We have resources to help you work on your personal finances, etc. We are considering a financial course centered on Biblical principles in early 2010 as well. We would ask that you participate in the campaign at whatever level is sacrificial for you. Remember – it's not about equal giving, but equal sacrifice.

**Quest has always given away 10% of our offerings to missions. Will this continue?**

Yes. We are committed to mission and to being a giving church.

**Is this campaign covering just the land purchase?**

Depends on amount we commit/pledge. Any money over and above land price will go towards architectural and building costs/renovations.

**Will commitments be made public?**

Absolutely not! Giving is between each person/family at The Quest Church and God.

**Can commitments be changed?**

Yes, you may either increase or decrease your commitment at any time God leads.

**Will new persons/families be asked to help fund the project/vision?**

Yes. New persons/ families will be contacted by the Follow-Up Team and given the opportunity to make a commitment to the project/vision.

---

**S U M M A R Y**

The Imagine Vision/Campaign is a tool to reach out to the church family, friends and community through financial gifts while expanding our church's capabilities through additional needed space.

**The Goal:** To seek God's will, committing to give sacrificially over and beyond our regular tithes and offerings and other giving for the next three years.

**The Challenge:** God has greatly blessed The Quest Church in recent years with dramatic growth. The growth creates a challenge to provide additional facilities for our expanding membership and meeting the needs of those that we believe God will send us in the future.

**The Plan:** To expand our facilities through the purchase of land/property and building. This will enable The Quest Church to be more effective in fulfilling its purpose and vision.

**The Proposal:** Raise \$600,000 or more for the purchase of land/property.

**Our Part:** Pray and seek God and His will, fulfilling that which He has challenged us to do, faithfully and sacrificially.
